MITCHELL DIAGNOSTICS™ OPTIONAL ACCESSORIES:

TPMS RESET KIT

Transfers TPMS registration from the Bluetooth wireless TPMS sensor directly to the tool, eliminating manual entry typos.

ADAS CALIBRATION KIT

Includes universal framework designed to operate with vehicle-specific targets for the calibration of driver assistance systems.

Connect. Diagnose. Repair. Simple.

Mitchell Diagnostics™

 **mitchell**
(m)powering better outcomes

© 2018 Mitchell International, Inc. All rights reserved.

Mitchell Diagnostics™ is the first comprehensive diagnostic system designed specifically for the collision repair and automotive claims process.

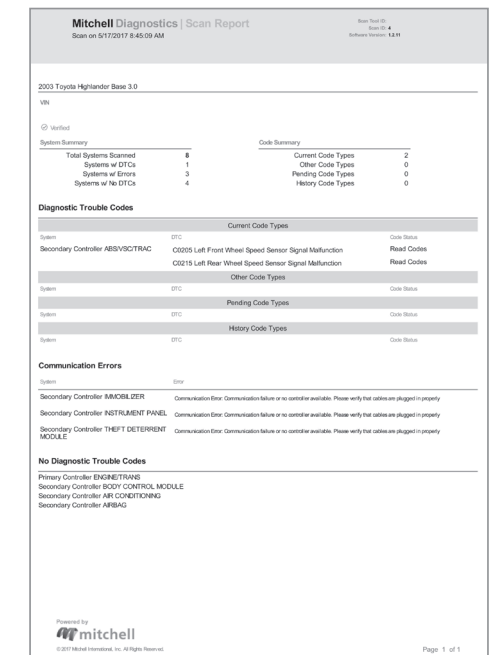

MODEL MD-200

When you connect Mitchell Diagnostics™ into your repair and claims infrastructure, you can quickly access the data needed to ensure a safe and proper repair.

Powered by **BOSCH** MODEL MD-350

PDF reports are easy to read and understand, making the pre- and post-scan process more efficient.

DIAGNOSTIC SYSTEM The first diagnostic system designed specifically for automotive collision repair.

EASE OF USE Allows you to complete and document the diagnostic portion of repairs in less time.

BEST IN CLASS VEHICLE COVERAGE Powered by Bosch, Mitchell Diagnostics™ has extensive vehicle coverage, including Domestic, Asian and European OEMs.

DOCUMENT MANAGEMENT Mitchell Diagnostics™ closely links diagnostic data with your repair and claims management system, whether you use Mitchell or any other information provider.

SIMPLE REPAIR PROCESS A best-in-class solution powered by Bosch, streamlining the repair process.

CLAIMS PROCESS MADE EASY Superior file documentation system that simplifies the claims management workflow.

LIFETIME WARRANTY With a continuing subscription to Mitchell Diagnostics™, you also receive a limited lifetime hardware warranty, keeping your system updated with the latest vehicle coverage and repair enhancements.

COMPREHENSIVE PDF OUTPUT Unlike many scan reports that are lengthy and hard to understand, Mitchell Diagnostics™ creates standardized PDFs that are clear and concise, with simple line-by-line reporting.

Integrated with Mitchell solutions and works with any of your information providers.
