Mitchell **RepairCenter**™
ToolStore

INTRODUCING THE INDUSTRY'S FIRST INTEGRATED PARTNER NETWORK.

Mitchell's new **RepairCenter**™ **ToolStore** provides a dynamic workspace where the entire industry—customers, shops and solution providers—comes together in one simple, unified workflow tool.
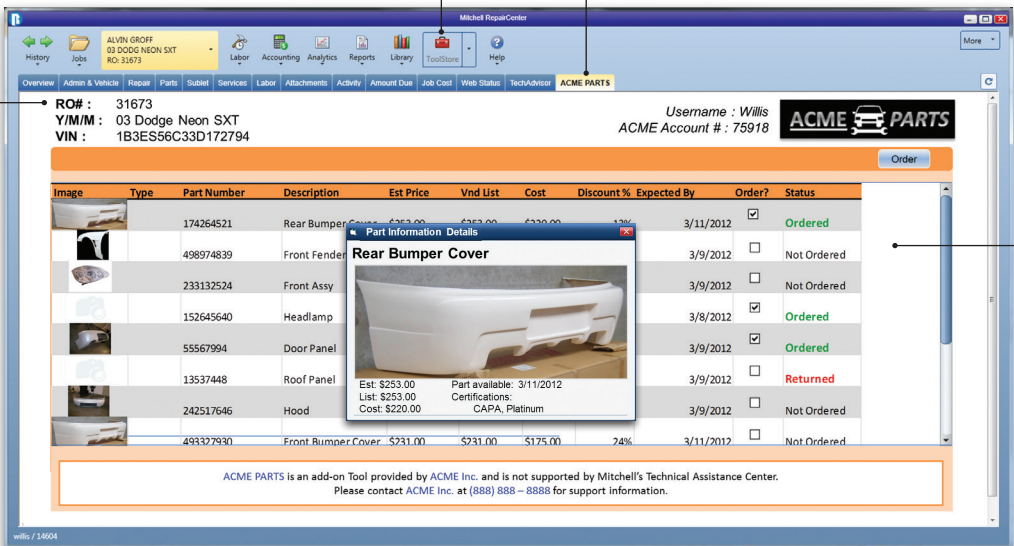

The ToolStore is where you'll find the everyday, always-needed tools that can enhance your RepairCenter workflow experience. Whether you need vendor integrations to manage your profit margins, repair information to make sure repairs are done right the first time, reporting tools to track your success, or even ordering morning donuts to keep your staff happy. Okay. Maybe not donuts…yet. But you get the idea that the RepairCenter ToolStore will quickly become your go-to-move to connect your shop's workspace with the time-saving and cost-saving applications you want from your vendors.

At-a-Glance:

(m)powered

Empower your business by connecting to the industry with the new Mitchell RepairCenter™ ToolStore.

Leading-Edge Applications	Empowering Benefits
Parts	Search real-time part prices and availability, order and receive parts electronically—all within your RepairCenter workflow.
Paint	Paint scale interfaces automatically send RO's and refinish hours to your paint scale, and push actual paint costs back to RepairCenter for accurate job costing.
Analytics	See your RepairCenter data, the way you want to see it. 3rd party reporting engines and data cubes provide KPI's, trend analysis, multi-store reports, and custom forms to manage your business and drive shop performance.
Rental	Save time and improve accuracy with automated job status updates and communications to carriers and rental companies.
Compliance	Whether for safety, carrier, or government compliance, RepairCenter brings expert solutions into your workspace. Spend less time scrutinizing rules and regulations, and more time managing your business.
Social CRM	Manage and market to customers and prospects with the latest social network and CSI tools embedded within your RepairCenter workspace.
And More	We're constantly adding a growing wealth of add-on tools, services, and plug-ins. If your vendor's not yet in the ToolStore, invite them to get on board and join the network today.
