Auto Physical Damage

IAIABC 103rd Convention

Event Details

Start: September 8, 2017 @ 5:00PM MST On-Demand End: @ On-Demand

The International Association of Industrial Accident Boards and Commissions (IAIABC) is an association of workers' compensation jurisdictional regulators and industry professionals who find solutions to reduce harm and aid recovery from occupational injuries and illnesses. During the 103rd Convention, speakers will highlight the IAIABC's new mission to find solutions to reduce harm and aid recovery from occupational injuries and illnesses.
