SAN DIEGO, CA—[Mitchell International](#), a leading provider of technology, connectivity and information solutions to the [Property & Casualty](#) (P&C) insurance and [Collision Repair](#) industries, today announced it has finalized its merger with [Genex Services](#), the leading provider of clinical solutions to the workers' compensation, auto and disability markets.

Now operating as a division of Mitchell, Genex Services will consolidate and deliver the company's clinical solutions, including case management, utilization review, independent medical reviews, and disability management. Genex joins and strategically complements Mitchell's existing divisions: Auto Physical Damage, Casualty, and Pharmacy Solutions.

Alex Sun will continue to serve as CEO of Mitchell, with headquarters in San Diego, California. Peter Madeja will continue as the CEO of Genex Services, a division of Mitchell, and will continue operating out of Wayne, Pennsylvania.

“Our customers across the P&C industry will reap significant additional value from our companies coming together,” said Alex Sun, CEO of Mitchell. “Over the years, they've naturally married our solutions, often pairing Mitchell's bill review and medical compliance capabilities with Genex's managed care services. Now, as one company, we can create an exceptional customer experience, further optimizing workflows and leveraging an unmatched inventory of claims data. With this data interpreted by our powerful analytics and deep expertise, we can drive greater insights, smarter decisions and, thereby help to improve ROI for our customers.

Sun adds: “Client focus will continue to be our number one priority. Our customers will receive the same exceptional services they've come to know, and we are committed to keeping our clients fully informed as we identify new integration and innovation opportunities to enhance their overall experience with us, which will ultimately guide our decisions.”

“I have long believed that scale, along with combined leadership in technology and service solutions, will be critical to meeting customer needs and expectations across workers' compensation, auto, and disability insurance markets,” said Peter Madeja, CEO of Genex Services. “A critical element in our vision for a unified company is to continue to provide the exceptional service our clients have come to trust and rely on. We look forward to working with Mitchell to deliver our best-in-class clinical solutions, while also driving innovation, technological advancement and customization capabilities that meet our clients' unique and evolving needs.”
