

[Auto Physical Damage](#)

Midwest Collision Repair Trade Show

Event Details

When: April 1, 2022 @ 8:00AM MST [On-Demand](#) To: @ [On-Demand](#)

The collision repair associations of Kansas, Missouri, Nebraska, South Dakota and Iowa have combined to host this year's first-ever [Midwest Collision Repair Trade Show and Conference](#). Featuring top industry speakers, workshop presenters and a near-full exhibit floor, repairers from across the five states will participate in the inaugural event.

Come visit Mitchell, an Enlyte Company, in booth #313 for the latest, innovative solutions focused on diagnostics, estimating, repair management, glass repair and replacement, quality control and more. You can also learn more about the Mitchell-administered Mazda Collision Network.
