Auto Physical Damage

HD Repair Forum

Event Details

Start: April 5, 2022 @ 8:00AM MST On-Demand End: @ On-Demand

The HD Repair Forum is dedicated to serving those involved in the collision repair work of heavy- and medium-duty vehicles. The event focuses primarily on classes 4, 5, 6, 7, and 8, and includes tractors, trailers, buses and delivery, emergency and recreational vehicles.

Be sure to visit Mitchell, an Enlyte Company, at the event to learn more about our latest commercial vehicle appraisal solution. Integrated with Mitchell's cloud-based product suite, it features accurate graphics, detailed labor hours, aftermarket parts integration, comprehensive overlap paint data and the ability to write estimates from a smartphone, tablet, laptop or desktop computer.
