Event Details

Start: May 19, 2023 @ 8:00AM MST On-Demand End: May 20, 2023 @ MST On-Demand Location:

Booth: #422

Located in Kansas City, the Midwest Collision Repair Trade Show & Conference assembles the five active Midwest state associations to deliver an exclusive trade show for business owners, managers and staff. This year, the show will highlight the year of the technician, providing hands-on projects and training for collision repair technicians. There will be an education series taught by top vendors and iconic national presenters to inform participants on topics such as online technology for boosting business, proper and safe ADAS operation, OE procedures and much more!

Be sure to visit the Mitchell booth #422 to learn more about our innovative solutions for estimating, diagnostic scanning, ADAS calibrations, repair management and much more!
