Auto Physical Damage

CIECA Connex Conference 2023

Event Details

Start: September 12, 2023 @ 6:00AM MST On-Demand End: September 13, 2023 @ MST On-Demand
Location:

CIECA Connex 2023 is an engaging, two-day conference on the theme “Connected Car | Connected Industry”. Participants will hear about the impact of new and emerging technologies—including ADAS and autonomous features—on the collision industry and its delivery of proper, safe vehicle repairs. The conference also provides attendees with the chance to network with industry leaders as well as participate in an exclusive factory tour of Rivian.

As a Silver Sponsor, Mitchell continues its long-standing support of CIECA and its important role in creating greater efficiency for all segments of the collision industry.
