Auto Physical Damage

Midwest Collision Repair Trade Show 2024

Event Details

Start: May 31, 2024 @ 7:00AM MST On-Demand End: June 1, 2024 @ MST On-Demand Location:

The Midwest Collision Repair Trade Show & Conference rallies the five active Midwest state associations to deliver an exclusive event for collision repair professionals in Kansas City. At the show, business owners, managers and staff are encouraged to attend educational presentations hosted by notable voices in the industry and engage in hands-on projects and trainings to expand their knowledge.

Stop by booth #112 to visit Mitchell and learn how our innovative solutions for estimating, diagnostic scanning, calibrating and more can help support body shops in their delivery of proper, safe and efficient vehicle repairs.
