

Auto Physical Damage

SEMA 2024

Event Details

Start: November 5, 2024 @ 9:00AM MST On-Demand End: November 8, 2024 @ MST On-Demand
Location:

The SEMA Show is the premier destination for manufacturers and buyers looking to discover thousands of the latest innovations in the automotive aftermarket industry. Spanning four days, this trade-only event encourages attendees to experience hands-on workshops and live demonstrations, engage in educational seminars and network with peers in various sectors of the field—from collision repair to vehicle restoration and more.

Visit Mitchell at Booth #35177 in the South Upper Hall to connect with our team and see how our cutting-edge technology solutions can support your repair shop!
