Auto Physical Damage

Rivian Certified Collision Network Summit 2024

Event Details

Start: September 11, 2024 @ 10:14PM MST On-Demand End: September 13, 2024 @ MST On-Demand
Location:

As the first collision industry information provider to sign a data licensing agreement with Rivian, Mitchell is proud to be a Platinum Sponsor of the 2024 Certified Collision Network Summit. The Mitchell team will be on-hand to demonstrate how repair shops can leverage Mitchell's cloud-based estimating and Mitchell Cloud Estimating TruckMax to access OEM repair information for Rivian vehicles. With an abundance of presentations and networking opportunities, this event will help attendees enhance their knowledge of Rivian vehicles and the tools and technology used to repair them.
