The Boyd Group Leadership Conference 2024

Event Details

Start: December 2, 2024 @ 6:00AM MST On-Demand End: December 4, 2024 @ MST On-Demand
Location:

The 2024 Boyd Group Leadership Conference is a premier event for business professionals leading shop operations within The Boyd Group's extensive network of collision repair centers in North America. Across the span of three days, attendees will have the opportunity to network and engage with one another, hear from industry leaders, celebrate accomplishments from 2024 and prepare to "bring the WOW" in 2025.

As a sponsor, the Mitchell team will be presenting and connecting with participants during breakout sessions. We will also be on hand at the Vendor Village to discuss how our technology solutions can support operational efficiency and excellence.
