Auto Physical Damage

Oklahoma Auto Body Association (OKABA) Trade Show 2025

Event Details

Start: February 7, 2025 @ 8:30AM MST On-Demand End: February 8, 2025 @ MST On-Demand Location:

The Oklahoma Auto Body Association Trade Show returns for its second year, bringing together collision repairers for an exciting two-day event. Themed “Year of the Vendor”, the 2025 program includes a vibrant trade show floor, along with technical training courses and engaging presentations.

As a Sandstone sponsor, the Mitchell team will be on-hand to demonstrate our broad range of technology solutions—from estimating to diagnostic scanning, calibrating and more. Attendees are also encouraged to join the breakout session, “AI Estimating – Removing Some of the Mystery”, hosted by Mitchell’s Senior Director of Content Management, Jerry Gastineau.
