Auto Physical Damage

CSN Collision Conference 2025

Event Details

Start: February 19, 2025 @ 9:00AM MST On-Demand End: February 22, 2025 @ MST On-Demand
Location:

The 2025 CSN Collision Conference is an engaging and informative gathering for industry professionals. Themed around “Charging Forward,” the event offers attendees the chance to participate in workshops, visit vendors during a special showcase, and strengthen connections with one another.

As a bronze sponsor, the Mitchell team will be on hand to share insights and discuss how our diverse technology solutions can help support collision facilities in their delivery of proper, safe and efficient repairs.
