Auto Physical Damage

NORTHEAST 2025

Event Details

Start: March 14, 2025 @ 2:00PM MST On-Demand End: March 16, 2025 @ MST On-Demand Location:

NORTHEAST is a premier automotive repair event designed with every industry professional in mind. With over 60,000 square feet of floor space and three days of activities, attendees will get the chance to demo a wide variety of products, attend informative seminars, and gather information on the latest procedures and processes.

You can visit Mitchell at booth #200 to learn how our innovative technology solutions for estimating, calibrating, shop management, and more can help support your facility in its delivery of proper, safe and efficient vehicle repairs.
