Auto Physical Damage

MSO Symposium 2025

Event Details

Start: November 3, 2025 @ 6:00AM MST On-Demand End: November 3, 2025 @ MST On-Demand
Location:

The MSO Symposium brings together high-growth executives from small, regional and national multi-site operators (MSOs) across North America. Included in the one-day event are presentations focused on collision industry trends and their impact on business operations.

Mitchell is proud to be a corporate sponsor and share how our advanced technology solutions are helping MSOs and independent repair facilities streamline repair operations, improve cycle times and exceed customer expectations.
