Auto Physical Damage

NORTHEAST 2026

Event Details

Start: March 20, 2026 @ 2:00PM MST On-Demand End: March 22, 2026 @ MST On-Demand Location:

NORTHEAST is the flagship event of the Alliance of Automotive Service Providers of New Jersey. It brings together the collision and mechanical repair industries for live demos, networking and educational sessions focused on the information and technology needed to properly and safely return vehicles—and vehicle owners—to the road.

Visit Mitchell at booth #200 for the latest collision diagnostic tools and learn how our innovative technology solutions for estimating, repair management and auto glass can support your facility.
