MSO Symposium 2026

Event Details

Start: November 2, 2026 @ 12:18AM MST [On-Demand](#) End: November 2, 2026 @ MST [On-Demand](#)
Location:

Celebrating its 15th anniversary, the MSO Symposium brings together collision repair leaders for a day of executive-level insights, peer discussions and networking. This year's event will explore the trends, challenges and opportunities affecting multi-site collision repair organizations and the broader market.

As a corporate sponsor, Mitchell is pleased to support this important industry conference and connect with collision professionals to discuss the advanced technology solutions helping them navigate an increase in vehicle complexity while driving greater repair efficiency.
